Anyone found breaching this rule will be penalised.

The fuel filler cap/s of the vehicle and the caps/covers/plugs of the refueling containers must remain securely in place until after all occupants have vacated the vehicle and disconnected themselves from it, and the engine has been switched off. It is not permitted either to switch on the engine, or for any person to enter the vehicle, until after the filler cap has been replaced on the vehicle, and the refueling containers have been either re-closed or removed from the vicinity of the vehicle. All persons involved in refueling operations, or within two meters of refueling or venting points whilst the vehicle is being refueled, are to be attired in at least shoes and socks, and non-flammable clothing from wrist to neck to ankle.

Refer: Off Road Standing Regulations 4.6

8.6 Competition Numbers

Competition numbers must be in place on competing vehicles before scrutiny. CAMS permanent competition numbers take precedence over club numbers. Numbered roof fins are compulsory at this event and must comply with the display requirements detailed in the current CAMS Manual of Motor Sport.

8.7 Course Marking

The course will be marked by distinctive markers, which will be displayed at Drivers Briefing. Danger Pre-danger and Caution markers are NOT considered directional markers. The course will be marked with arrows and will form the extremity of the track. Competitors must remain within the arrow course marks at all times. Flags will be run per NCR rule.

8.8 Timing

Timing will be done by the My laps electronic timing system and all vehicles will be required to have orange MX style transponders.

The result of the event will be determined by the total elapsed time taken by each vehicle for all heats of the event. The provisional results for the event will be available to each competing vehicle at the Presentations. Competitors are not to approach the Timing Trailer at any time during both days of competition.

8.9 Finishers

To qualify as a finisher for the event, a competitor must complete a minimum of 50% of the race leader's race distance.

8.10 Impounding

The Organisers reserve the right to impound any vehicle after the Event in order to verify its compliance with the declared specifications. Any costs incurred by such examination shall be the liability of the entrant concerned.

9. **BRIEFING**

ALL nominated competing crew members MUST attend a compulsory drivers briefing which will be held at 10.00am on Saturday 20th July 2019, in the Competitor's Car Park. An attendance register to verify attendance **must** be signed by all competitors.

10. **CREW ELIGIBILITY**

Persons Eligible –

Financial members of a CAMS affiliated club are invited to compete.
Drivers must be 14 years of age or over.

License Requirements –

All entrants, drivers, co-drivers and navigators must be holders of a current CAMS Off Road Competition License (NO/NON) relevant to the role the competitor intends to take in the event.

Crew and Crew Changes –

A maximum of **four** competing crew members is allowed per two seater competition vehicles. Driver No.1 and co driver. Driver No1 must start the race and complete at least 50% of the race to be eligible to gain points. The third and fourth nominated crewmembers (navigator 1 & 2) are not permitted to drive the vehicle. Single seat vehicles may have a maximum of two competing crewmembers. Changes to the nominated crew detailed on the entry form is allowed but DISCOURAGED up to close of scrutiny on Saturday 20th July 2019 upon notification in writing to the Clerk of Course. Changes thereafter will only be permitted with the written approval of the stewards (if at all).

Parental Consent –

If any competitor or entrant is under 18 years of age, the consent of his/her parent or guardian must appear on the entry form.

11. **VEHICLE ELIGIBILITY AND CLASSES**

All vehicles must comply with the requirements of Article 4.2 of the CAMS Off Road Standing Regulations.

12. **SAFETY – Competitors & Vehicles**

Vehicles should comply with the Off Road Standing Regulations of the current CAMS Manual of Motor Sport. Safety equipment shall be in accordance with Schedule D of the Current CAMS Manual of Motor Sport.

Special Note:

Red flags attached to a flag pole as per CAMS requirement is compulsory. Should a flag pole be broken and dragging behind the vehicle, you will be black-flagged and the broken pole removed. Competitors will be permitted to complete the heat, but a new flag pole must be securely affixed prior to commencing any heat.

17. PROTEST & JUDGES OF FACT

Protests, if any, must be lodged in accordance with Part XII of the NCR's of CAMS. All listed officials shall be deemed Judges of Fact in respect to timing, scrutiny and penalties imposed. Competitors are reminded there is NO right of appeal against a decision of a Judge of Fact (NCR 205).

18. ABANDONMENT, POSTPONEMENT OR CANCELLATION

The event may be cancelled, altered, postponed or abandoned in accordance with the National Competition Regulations of CAMS NCR 59.

19. INSURANCE

Certain public, property, professional indemnity and personal accident insurance is provided by CAMS in relation to the event. Further details can be found in the CAMS Insurance Handbook, available at www.cams.com.au.

20. ALCOHOL, DRUGS AND OTHER SUBSTANCES

Any holder of a CAMS 'Competition' or 'Officials' licence (or equivalent licence issued by another ASN) may be tested for the presence of drugs (or other banned substances) and subject to a penalty(ies) for a breach in accordance with the CAMS Anti-Doping Policy and/or the CAMS Illicit Drugs in Sport (Safety Testing) Policy as published on the CAMS website. Consumption of alcohol in the paddock, pits or any section of the competition venue/course under the control of the Officials is forbidden until all competition is concluded each day. Accordingly, any holder of a

CAMS 'Competition' or 'Officials' licence (or equivalent licence issued by another ASN) may also be tested for the presence of alcohol by a CAMS Accredited Testing Official (CATO) in accordance with the CAMS Standard Operating Procedure for Breath Alcohol Testing.

21. PIT AND HOT WORK AREA

There will be a designated pit area allocated adjacent to the track in the dunes. Smoking and or consumption of alcohol is not permitted in the area.

Within this pit area a '**hot work area**' will be set aside exclusively for welding, grinding and other similar hazardous activities. Such activities are prohibited outside this designated area. Failure to adhere to this will have severe penalties.

Competitors are allowed ONE support vehicle in the pit area but please ensure it is parked to the perimeter of the pit and does not in any way block the thoroughfare for race vehicles entering and exiting.

22. PASSES

There will be no passes and admission to track is free for competitors and crew.

23. AWARDS & TROPHY PRESENTATION

Results shall be determined by the total elapsed laps including penalties.

NOTE: All positions are provisional, pending final checks of lap sheets.

Presentation of Awards Dinner : Details TBA

24. BREAKDOWN AND VEHICLE RECOVERY

BREAKDOWN: Should a competitor slow down to stop anywhere around the course, it is preferred that where possible the driver should attempt to pull over to the right hand side of the course for ease of recovery and display a warning triangle. Any vehicle breaking down has the right to re-enter at any time, at the discretion of the Clerk of Course and, at all times, must restart or pass through the finish control point. If major repairs are conducted throughout the event, competitors must have repairs checked by the Scrutineer before re-entering.

TOWING POINTS: The Organisers strongly recommend the fitment of a LIFTING EYE not less than 50mm in diameter to be fitted at the rear most central point of the vehicle. Should your vehicle suffer gearbox failure or similar, damage could occur during recovery procedure if a strong eye is not fitted. It is also recommended that towing hooks be fitted to the front and rear of all competing vehicles.

TOW VEHICLES: Only the designated tow vehicle will be used to recover vehicles that have broken down on the course.

24. GENERAL

24.1 Any competition vehicle that wishes to use the track after racing has concluded may only do so with the approval of the Clerk of Course. Failure to obtain permission will result in exclusion from the Event.

24.2 Competitors are reminded to remove all personal rubbish from the both the dunes and car

park as this is a State Conservation Area, that TORCC are only allowed to use under strict guidelines in our License of Land Contract. Failure to remove rubbish could jeopardize our access to the area in the future.

24.3 All competitors, crew, patrons and vehicles should **leave the dunes promptly** after the finish of the event to allow a free & clear passage for the trailers to be removed. Once you return to the car park after the close of the race it is strictly prohibited for any vehicles to re enter the dunes. If under any circumstance a vehicle needs to return to the dunes they **MUST** seek permission.
